

FRANCHISE APPLICATION FORM

(This application does not obligate either party in any manner)

Attention: Applicant

Thank you for your interest in a *Java U* franchise. THE FRANCHISE APPLICATION FORM will assist us in establishing a match to our profile used in the selection of a new franchisee.

The submission and acceptance of a questionnaire should not be construed as an approval or a future guarantee of becoming a *Java U* café owner. To become a *Java U* café owner, there is a formal approval/meeting process that is undertaken with applicants who have been short-listed for a particular opportunity. We do not rank our applicants in numerical order nor base consideration on the length of time an application has been on file. At the time of conducting a search for a new franchisee, we select the most qualified applicant from the current applications on file, and the best match to our business concept.

A full franchise package (including a break even analysis) is provided only when a candidate has been short-listed for a particular opportunity. Projections are not available prior to a candidate being short-listed.

Thank you for your interest in *Java U*,

Regards,
